

NOTICE OF PUBLIC HEARING
GREENWAY CONSERVANCY FOR THE HUDSON RIVER VALLEY, INC.

PLEASE TAKE NOTICE that a public hearing will be held by the Greenway Conservancy for the Hudson River Valley, Inc. on October 24, 2019 at 7:00 P.M. local time, at the Stockport Volunteer Fire Company No. 1, 128 County Road 25, Hudson, New York 12534, to hear all interested persons regarding whether and to what extent the Town of Stockport's Zoning Law should apply to a portion of the Albany-Hudson Electric Trail ("AHET") located in the Town of Stockport, taking into account the nine factors set forth in *Matter of County of Monroe v. City of Rochester*, as follows: (1) the nature and scope of the instrumentality seeking immunity; (2) the encroaching government's legislative grant of authority; (3) the kind of function or land use involved; (4) the effect local land use regulation would have on the enterprise concerned; (5) alternative locations for the facility in less restrictive zoning areas; (6) the impact upon legitimate local interests; (7) alternative methods of providing the proposed improvement; (8) the extent of the public interest to be served by the improvements; and (9) intergovernmental participation in the project development process and an opportunity to be heard.

All interested persons will be given an opportunity to be heard in person or by directing comments in writing to the Greenway Conservancy for the Hudson River Valley, Inc., 625 Broadway, Albany, New York. Written comments must be received at the stated address by 4:00 P.M. local time on October 24, 2019 or submitted to the hearing officer during the public hearing. All reasonable accommodations will be made for persons with disabilities. In such a case, please notify Shannon Day in advance by phone at 518-473-3835 so that arrangements can be made.

PLEASE TAKE FURTHER NOTICE that copies of the AHET trail maps, Route Description, Draft Environmental Impact Statement, Final Environmental Impact Statement and Findings Statement are available for review at www.ahettrail.org.

By order of the Greenway Conservancy for the Hudson River Valley, Inc. dated October 9, 2019.
